Through the front door and your greeting by climate control at your fingertips with ducted heating & air-conditioning, the polished floorboards effortlessly guide to the generous sun-illuminated living room, perfect for lounging in front of the TV or those family get togethers. Adjoining is the well equipped kitchen and meals zone; ideal for hosting indoors and outdoors functions, with an abundance of storage and bench top space and a large 900mm stainless steel oven.

The bedroom zone, is complimented by four bedrooms (two with built-in robes) and serviced by two (2) newly renovated bathrooms, with a central laundry, wet room & utility room for added storage & convenience.
